**Code of Ethics of Korean American Insurance & Financial Professional Association:**

1. A member shall abide by all laws and regulations of the United States, and the state he/she is residing, the by-laws & the Code of Ethics of KAIFPA and all the rules of conducts which are prescribed in the code of ethics of other professional organizations to which each member may belong.
2. In the conduct of business or professional activities, a member shall not engage in any act or omission of a dishonest, deceitful, or fraudulent nature.
3. A member shall not violate any law or regulation relating to professional activities or commit any felony.
4. A member shall treat all members and non-members alike with courtesy and respect.
5. A member shall be objective in providing opinions about various insurance or financial products to others and avoid making any misleading statements.
6. A member shall not disclose to another person any confidential information entrusted to, or obtained by, the member in the course of the member's business or professional activities, unless disclosure of such information is required by law or is made to a person who necessarily must have the information in order to discharge legitimate occupational or professional duties.
7. A member shall support efforts to provide members of public with objective information concerning their risk management and insurance and the products, services, and techniques which are available to meet their needs.
8. A member shall perform professional services in a manner that is fair and reasonable; and disclose any potential conflict of interest in providing such services. In no event shall a member engage in any act of self-dealing.
9. A member shall continue to maintain and improve his/her professional knowledge, skills and competency, and shall strive for the best services to others

I have read and agreed to abide by the Code of Ethics of KAIFPA,
